Good afternoon David,

Hope you and everyone at the Commission are safe and well.

I am pleased to report that ORS and the Joint Applicants in the above-captioned case have agreed to a stipulation. As of this writing, the stipulation is being finalized and will then be circulated for execution. With the stipulation, the applicants will not be submitting rebuttal testimony, and, of course, there will be no surrebuttal testimony. The Joint Applicants have requested, and with the executed stipulation ORS does not object, that the hearing next Wednesday, May 19, be waived and cancelled and the Commission consider the application based upon the sworn testimony in the record and the stipulation to be submitted by the parties. The Joint Applicants are also requesting, and ORS does not object, that the above docket be placed on the Commission's business agenda for decision and action on Wednesday, June 2, 2021.

Should you have any questions or if it would be beneficial to have a telephone call about this matter, Jenny and Chris and I, as counsel to the only parties of record, are available to do so. Thank you in advance for your continued attention to this important case. With warmest regards,

Mitch
